

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK

JERIEL ALEXANDER,

Plaintiff,

-against-

PRIVATE PROTECTIVE SERVICES, INC.,

Defendant.

19-CV-10004 (JPO)

ORDER OF SERVICE

J. PAUL OETKEN, United States District Judge:

Plaintiff brings this *pro se* action alleging that on October 3, 2019, Defendant discriminated against him in violation of his rights. By order dated November 1, 2019, the Court granted Plaintiff's request to proceed *in forma pauperis*. As service to Defendant failed (Dkt. No. 17), the Court issues a new order of service with updated addresses for Defendant.

**STANDARD OF REVIEW**

The Court must dismiss an *in forma pauperis* complaint, or portion thereof, that is frivolous or malicious, fails to state a claim on which relief may be granted, or seeks monetary relief from a defendant who is immune from such relief. 28 U.S.C. § 1915(e)(2)(B); *see Livingston v. Adirondack Beverage Co.*, 141 F.3d 434, 437 (2d Cir. 1998). The Court must also dismiss a complaint when the Court lacks subject matter jurisdiction. *See* Fed. R. Civ. P. 12(h)(3). While the law mandates dismissal on any of these grounds, the Court is obliged to construe *pro se* pleadings liberally, *Harris v. Mills*, 572 F.3d 66, 72 (2d Cir. 2009), and interpret them to raise the "strongest [claims] that they suggest," *Triestman v. Fed. Bureau of Prisons*, 470 F.3d 471, 474 (2d Cir. 2006) (internal quotation marks and citations omitted) (emphasis in original).

## DISCUSSION

Because Plaintiff has been granted permission to proceed IFP, he is entitled to rely on the Court and the U.S. Marshals Service to effect service. *Walker v. Schult*, 717 F.3d. 119, 123 n.6 (2d Cir. 2013); *see also* 28 U.S.C. § 1915(d) (“The officers of the court shall issue and serve all process . . . in [IFP] cases.”); Fed. R. Civ. P. 4(c)(3) (the court must order the Marshals Service to serve if the plaintiff is authorized to proceed IFP)). Although Rule 4(m) of the Federal Rules of Civil Procedure generally requires that the summons and complaint be served within 90 days of the date the complaint is filed, Plaintiff is proceeding IFP and could not have served the summons and complaint until the Court reviewed the complaint and ordered that a summons be issued. The Court therefore extends the time to serve until 90 days after the date the summons is issued. If the complaint is not served within that time, Plaintiff should request an extension of time for service. *See Meilleur v. Strong*, 682 F.3d 56, 63 (2d Cir. 2012) (holding that it is the plaintiff’s responsibility to request an extension of time for service); *see also Murray v. Pataki*, 378 F. App’x 50, 52 (2d Cir. 2010) (“As long as the [plaintiff proceeding IFP] provides the information necessary to identify the defendant, the Marshals’ failure to effect service automatically constitutes ‘good cause’ for an extension of time within the meaning of Rule 4(m).”).

To allow Plaintiff to effect service on Defendant Private Protective Services, Inc. through the U.S. Marshals Service, the Clerk of Court is instructed to fill out a U.S. Marshals Service Process Receipt and Return form (“USM-285 form”) for this defendant. The Clerk of Court is further instructed to issue a summons and deliver to the Marshals Service all the paperwork necessary for the Marshals Service to effect service upon this defendant.

Plaintiff must notify the Court in writing if his address changes, and the Court may dismiss the action if Plaintiff fails to do so.

### CONCLUSION

The Clerk of Court is directed to mail a copy of this order to Plaintiff, together with an information package.

The Clerk of Court is further instructed to complete the USM-285 form with the address for Defendant Private Protective Services, Inc. and deliver to the U.S. Marshals Service all documents necessary to effect service.

The Court certifies under 28 U.S.C. § 1915(a)(3) that any appeal from this order would not be taken in good faith, and therefore *in forma pauperis* status is denied for the purpose of an appeal. *Cf. Coppedge v. United States*, 369 U.S. 438, 444-45 (1962) (holding that an appellant demonstrates good faith when he seeks review of a nonfrivolous issue).

SO ORDERED.

Dated: November 2, 2020
